It's Muz not Moz!

TTNB owes Mustapha (Muz) Mzouri sincere apologies. In the last issue of TTNB we referred to him as Mustapha Mozart and we cannot explain how this happened. We can't even blame an auto-correct spell-checker because our quills do not embrace such modern technology.

Muz, please accept our sincere apologies for this error and any embarrassment that this has caused. Knowing that you play with that acerbic bunch known as the SAGGS, we imagine this must have been considerable. Having said that, we have to add that we think you've really got something going with that Magic Flute thingy. Really catchy tune - we hope it does well for you.

Coronation Foursomes

ESTABLISHED in 1953, the Coronation Foursomes is a leading event for female club golfers in Great Britain and Ireland and is open to all members of affiliated golf clubs who hold a current CONGU handicap of 36 or under. Teams compete in both local and regional qualifiers until sixteen pairs emerge to play in the Grand Final.

Jane Brackenbury and Renee Wheeler won our qualifier played on Saturday May 26 with 30 points. They were a single point clear of Mary Harwood and Gale McAuley while Sandy Miller and Georgie Seaman were third on 24 points.

Jane and Renee now have to wait to see if they qualify for the area final.
