Increased Booking Flexibility

Dear Member

We are pleased to advise that the option to pre-book up to two tee times per week will be available from Monday the 18th May via the Pro-shop.

At this juncture tee times are available for this Saturday and Sunday afternoons for 7 day members who have played once already this week but only by booking through the Pro-shop.

The situation is under constant review to maximise the use of the course with member's safety in mind and further announcements will be made as appropriate
