WELFARE OFFICER JOHN BENNETT

WELFARE OFFICER EMAIL CWO.wbgc@outlook.com

I have been a member of the West Berkshire golf club for 40 years and during that time served the club as a president and senior's captain. I also have been a manager and employer for over 60 years. During that time I have encountered a variety of personnel problems that have arisen from many different circumstances.

It is now a requirement that the club has a welfare officer and I believe that with my experience I can fulfil that role for the benefit of all.
